7th September 2020

Once again I would like to thank parents for their patience and understanding with the staggered start and finish times. As I have said before, I am aware that some parents are having to wait around to drop off or collect their children. We of course want to work with you to ensure we can be as amenable as possible.

Unfortunately, at present we cannot do anything about parents who have to wait 10 minutes between their drop-offs. I am sure you will agree that 10 minutes is not too much to ask and we kindly request that you wait in a socially distance manner to drop off your other child/ren. I have managed to find a solution to support parents who have to wait 15 minutes or more to drop off or collect their children. Please email the office if you require support due to having to wait 15 - 30 mins between drop off and collection times.

These parents will then receive a phone call before the end of this week to explain what we can do to support you. I kindly ask that you continue with current arrangement until the new arrangement can be put in place for Monday. The new arrangement may still involve you having to wait for 10 minutes between drop offs.

Once again thank you for being incredibly flexible whilst we find a way to ensure we can operate safely within the government guidelines. Thankyou in advance for your continued support.

Yours sincerely

Miss D Lee
Principal
