15th October 2020

Dear Parents & Carers

Important changes to school dinners with effect from Tuesday 3rd November 2020

As from Tuesday 3rd November we will be making changes to school dinners. You will no longer be allowed to change from dinners to sandwiches and visa versa, either day to day or week to week.

When your child returns to school on 3rd November the meal option that they have on that day will be what they will have for the remainder of the term. Dinner registers will then be marked for the term. The same will apply for the first day of the Spring Term and so on.

This new procedure applies to all year groups.

For those children who pay for their dinners you should pay in advance for each week - eg; no later than the Sunday for the following week. The cost of school dinners for the week is £12.50.

For those children on free school meals the above changes will still apply but no payment will be required.

For children in Reception, Year 1, Year1/2 & Year 2 the above changes will also apply. No payment will be required as your child is eligible for the 'Universal Infant Free School Meal Scheme' that is government funded.

All packed lunches from home should be healthy with no chocolate or fizzy drinks. As always, NO NUTS or foods containing nuts, such as Nutella, should be brought into school as we have several children with nut allergies.

The changes will ensure that the delivery and ordering of school dinners is managed in a more controlled way and as a school we can help to cut down on waste.

I expect that you will give your full support to these changes.

Yours sincerely

Miss D Lee
Principal
