Dear Parents & Carers

The next academic year 2021/22 the Early Years Foundation Stage curriculum is due to be updated.

At St. Wilfrid's we have been selected to implement the new curriculum from September of this year, under the Early Years Adopter scheme. Under this scheme, we shall be exempted from following the current (2017) statutory framework and move to follow the new one, with new learning and development requirements which include the new early learning goals and educational programmes and assessment and moderation arrangements, for our nursery and reception pupils, with immediate effect.

Further details of the revised curriculum offering can be found on the government website:

<https://www.gov.uk/government/publications/early-adopter-schools-eyfs-framework>

Please take the time to look at the new scheme on the above link.

Yours sincerely

Miss D Lee
Principal
