Dear Parents/ Guardians,

In line with current government policy, it is a requirement that every school creates a contingency plan in the event of a class bubble closing. Should your class bubble need to close, please be assured that we would move to remote teaching and learning swiftly, using Clasdojo and by uploading work packs to the class story on the website. By using Clasdojo as well as other activities, we can provide a range of learning activities and can give feedback digitally.

If the class bubble is isolating, we will provide:

- Daily teaching will be planned and will be uploaded to the class story on clasdojo in order for children to practice the new skills and knowledge.
- We will remain committed to teaching a broad and balanced curriculum.
- High quality teaching will be provided to ensure that new learning continues and that children continue to make progress.
- Staff will upload videos of storytime and phonics sessions to continue progress in literacy.
- All children will be expected to access and engage in the daily activities to ensure that they continue to make progress.
- If access to enough laptops/computers/tablets is an issue, please inform your class teacher that physical exercise books, activity packs and textbooks (where appropriate) will be required.

By taking part in remote learning, you confirm your understanding that:

- If a member of staff has any safeguarding concerns they will report these to the school's Designated Safeguarding Lead/Deputy Designated Lead.

Please can you return the slip below or email office@stwilfridsnewman.co.uk to advise of your requirements:

We would require exercise books or pencils/pens.	YES/NO
