Please find attached our after school clubs for Summer Term 2.

In order to ensure our clubs are as effective as possible we have placed small charges on some clubs so that we can offer higher quality experiences for the children. Any charges for clubs by our school staff are never higher than £1 per club. Everything is invested into resources for the children.

Where there is a cost we would ask that the club is paid for in advance by either cash or cheque. This will enable us to run our clubs effectively.

All places are offered on a first come first served basis. Where demand exceeds places we will ensure that children unable to be offered places have priority next half term.

Please be certain to view the dates that some clubs start. All clubs finish in the week ending Friday 13th July 2018. There are no clubs in the final week of term.

All clubs will finish at 4.15pm, unless otherwise stated.

As usual, you will receive a text to inform you if your child has got a place in his/her chosen club.

I trust in your continued support.

After school Clubs Autumn Term 2 5.11.2019 – 13.12.2019.

Yours sincerely

Mr M A Barlow
