Friday 4th December

Dear Parents

As you know at the end of each term we write to parents to inform them about their child's attendance for the term. These letters are informative and also highlight any concerns we have in relation to your child's attendance.

This term has been like no other. Attendance at school has been excellent. Following Government guidelines, we have marked children with an X code if they are self-isolating for any reason. This means that this does not impact on your child's attendance.

Due to this we feel it would be too confusing for parents if we sent these letters and so you will not receive them this year. Please rest assured if we are concerned about your child's attendance we will have already spoken to you. Any parent who wishes to know what their child's current attendance is can email the school office who will be able to provide this.

Thank you for all your support this term it has been wonderful to see all the children in school. Due to their fantastic attendance we have been able to ensure that all children have made.

Yours sincerely

Miss D Lee  
Principal
