Dear Parent/Carers,

The Nursery children have been working really hard, practising their Nativity performance in school. We want to share it with you. However, unlike previous years, parents will not be able to attend the performance in person due to Government guidance for schools in Tier 3. Instead, we are planning on recording the performance, then uploading the recording to One Drive and emailing a link to you through a secure server. This video would be view only, so you would not be able to download it or copy it for safeguarding reasons. Only those who have been sent a link via email will be able to access the video.

It is vitally important that we have your permission for your child to be filmed. Without your permission your child will be unable to take part in the production and you will not receive the link.

We are determined for the children to have as many 'normal' opportunities as possible and to share many lasting memories with you. Please complete and return the consent form below to school, alternatively, you can email the school to clearly state that you give your consent **NO LATER THAN WEDNESDAY 9TH DECEMBER**

Thank you for your understanding and continued support.

Yours sincerely

Miss D Lee
