Dear Parents and Carers,

As we approach the half term break, I want to thank all of you for your support with your child's engagement with remote learning. You have done an amazing job under very difficult circumstances. The children have worked so hard and it's really important to acknowledge this. The staff and I are very proud of them. I want to also thank all of the staff who have been amazing and worked so hard and with dedication. Thank you so much for the lovely emails acknowledging the work of the staff. I think we have worked really well as a school community.

During the half term break, I hope all of you manage to get outside and enjoy the fresh air. Please remember, however, that you still need to follow all the lockdown guidance.

Just a reminder that if any child, who has attended school prior to the half-term break receives a positive test for COVID-19 on any date, I ask that you inform the school by email (office@stwilfridsnewman.co.uk). This will enable us to identify any contacts. Please rest assured we are very hopeful that we will not need to do this.

Thank you to you all for your support and prayers.

God bless all of you,

Yours sincerely,

Miss D Lee
Principal
