6th May 2021

Dear Parents and Carers,

On Wednesday 19th May St Wilfrid's will be holding its first Maths WOW day to celebrate National Numeracy Day.

This day will be dedicated to fun and exciting maths, which we are sure, will further engage and inspire the children in their maths learning. The children will take part in practical maths activities, which may be linked to stories, class topics, interesting images or objects.

Children are encouraged to dress up as something maths related for example a, mathematician, number, shapes, clock etc...

Please join us at our end of day Key Stage celebration assemblies via TEAMS (a link will emailed beforehand) where each class will share what they have been learning.

Be prepared to be wowed!

Yours sincerely,

Mrs Mortimer

Maths Leader
