23rd June 2021

Dear Parents & Carers

Following advice from Public Health England, we need to make you aware of another positive case of Covid19 in school.

I have been in discussions with our Local Authority and have been advised that it is our decision as to whether our parents can attend our Sports Days. After much thought I have made the decision that you can however I need your full support on the following as it is even more important that we work together to make this an enjoyable and safe day for our children.

Parents & Carers must

- Wear a face mask or visor whilst on the premises
- Must NOT approach Staff or Children
- Arrive & Depart promptly in line with the schedule for each class - parents must leave and come back again should they have children in different bubbles
- Remain Socially Distanced at all times
- Have given names of attendees as requested on our letter dates 18th June. As advised no more than 2 this includes babies – no one else will be permitted to attend.
- Have a lateral flow test prior to attending – this is not compulsory but your support is appreciated.

We are unable to offer any toilet facilities or entry into the school building throughout the event.

We are all looking forward to sharing our Sports Days with the children staff and parents/carers, I am certain they will be a success with your support.

Yours sincerely

Miss D Lee
Principal
