22nd October 2021

Dear Parent or Carer,

Thank you for your continued support with Covid-19 home testing. We know how important it is for you to be able to send your children to school.

You should continue to test your children and report results twice a week, at home, throughout the October half-term school holiday and take a test before returning to school. All results should be reported, online, even if your result is negative or void.

You can help them to take the test and report their results. Testing is free of charge. If you require more home testing kits to continue testing over half term, you can order more [online](#) through gov.uk or collect from your local pharmacy.

By testing your child twice a week over half term, you will help us to reduce transmission of Coronavirus and minimise disruption to their education and to you and your household.

Thank you for your support.

Yours faithfully,

Mr. N. Glover
Vice Principal
