Young Voices Parent Sign Up

Dear Parent/ Carer,

In order to access the Young Voices MusicRoom parents will need to sign up for a parental account. Please follow these steps:

1. Scan the QR code

2. Enter the email address you would like to register for the account.
3. Enter your first name, last name, create a password and select 'St Peters Catholic Academy' (postcode ST6 3HL) from the drop down list. **(There is no selection for St Wilfrid's as both schools are going together).**
4. Tick the boxes and select the blue box 'complete your registration'.
5. I will then need to verify your parent profile. Please notify the office when you have created your account.
6. PLEASE NOTE – Young Voices will ask for permission to attend the concert. You do not need to complete this as we will gather our own permissions through the Arbor app.
7. Select the blue box 'enter music room'. Once you are in you will have access to the songs, backing tracks and dance videos.

I have also attached the t-shirt order form, a paper copy will also be sent home today. Please complete this and return to school by **Monday 13th October** - any orders submitted after this date will not be processed. The payments for orders will be added to Arbor once we know who would like to order a T-shirt. It is not essential for children to have a Young Voices branded t shirt; they can also wear a plain white top.

As soon as I have information regarding tickets, I will share this with you.

Thank you for your continued support,

Mrs Wallace
