Nursery Diwali Celebration

Dear Parent/ Carer,

This week in Nursery, the children will be learning all about **Diwali**, the Festival of Lights. They will have the opportunity to explore how Diwali is celebrated by many families around the world and within our own community. Activities will include reading stories, creating colourful rangoli patterns, making decorations, and talking about the themes of light, kindness, and togetherness.

We understand that some of our families may celebrate Diwali at home, and we would love to share and learn from your experiences. If you have any items related to Diwali that you would be happy to send in—such as **diya lamps, traditional clothes, decorations, or photographs** of your family celebrations—please do so. These will help to support the children's learning and make our week even more meaningful.

To bring together everything the children have learned, Nursery will be having a **Non-Uniform Day and Diwali Party on Friday**. The children are welcome to come to school in their **party clothes or traditional dress** if they wish (sensible shoes please). They will enjoy some fun activities, music, and food to celebrate what we have learned.

Thank you for your continued support in helping to make our learning experiences rich and engaging.

Yours Sincerely

A handwritten signature in black ink, appearing to read 'N. Glover', written in a cursive style.
