Year 5/6 Halle Orchestra Trip

Dear Parent/ Carer,

We have been given an amazing opportunity to take our **Year 5/6 class** to a concert featuring the Halle Orchestra at the Victoria Hall on **Monday 2nd March 2026**. The cost of this trip is **£5.50** which is to be paid on and consented for via Arbor.

The Halle Orchestra is known worldwide, so I am sure you will agree, it will be a fantastic chance for your child to see them perform a series of pieces of music that have been carefully put together for children.

Attending the Halle Orchestra's performance is a wonderful opportunity for students to experience world class music and deepen their appreciation for the arts. This trip will inspire creativity and provide valuable cultural enrichment that complements their classroom learning.

The children will leave school at **9am** and are expected back to school by **12.30pm**. The children will then have their lunch at school.

If you have any questions, please do not hesitate to contact me via the school office.

Thank you for your continued support.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'N. Glover'.

Mr. N Glover
Principal
