## Year 3 Catalyst Science Discovery Centre Trip

Dear Parent/ Carer,

As part of their science topic this half term, we have arranged for **Year 3 to visit the Catalyst Science Discovery Centre** in Widnes on **Thursday 26<sup>th</sup> March**.

During the visit, the children will take part in a workshop that will supplement their learning in the 'Light' science topic. After this workshop, the children will have the opportunity to see the centre's exhibitions.

The cost of the visit, including entrance, activities and transport is **£20.00**, which is payable via your child's Arbor account. **Consent should also be given through Arbor - when you click on the trip in your child's account, you will see a green box at the top of the page that should say 'sign up my child for this trip', this is the consent part and is sufficient for permission.**

The children will need to arrive to school **by 8.30am promptly** and are expected to return to school by **3:10pm** (traffic dependent). **Children should wear their school uniform and a warm coat.** Your child will need a packed lunch in a disposable bag. **If your child is in receipt of free school meals, a lunch will be provided for them.**

Should you have any further questions, please speak to Miss Weir or contact the school office.

Yours Sincerely

A handwritten signature in black ink, appearing to read 'N. Glover', written in a cursive style.

Mr N Glover  
Principal
