British Science Week – Star Dome Activity

Dear Parent/ Carer,

We would like to inform you that the school hall will be out of use on **Friday 6th March**, as we welcome Scott Walker from Keele University to the school with his Star Dome Experience. This exciting, immersive workshop will give children the opportunity to explore the wonders of space in a unique and engaging way, supporting their learning in science and inspiring curiosity about the universe.

As a result, **children in Nursery and Years 3 to 6 will need to bring a packed lunch from home on this day**, unless they are in receipt of Free School Meals. **Children who are eligible for Free School meals will have a packed lunch provided by the school.**

Children in Reception, Year 1, Year 1.2, and Year 2 receive Universal Free School meals. Therefore, the school will also provide a packed lunch for these year groups.

We apologise for any inconvenience this may cause and thank you for your understanding and cooperation.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'N. Glover', is written over a light blue horizontal line.

Mr. N. Glover
