Y5 and Y6 Long Division Workshop 2026

Tuesday 14th April 3.15pm Thursday 16th April 8.45-9.45am

Dear Parent/ Carer,

Following feedback from the Y5 and Y6 maths workshop in January, we will be holding further workshops on long division. Each session will last approximately 45 minutes.

This will be an opportunity for you to learn and practice the method of long division we use at St Wilfrid's. It will help you to support your child with their current learning and in preparation for Y6 SATS and beyond.

If you wish to attend either of the sessions, please complete and return the reply slip below. We look forward to seeing you.

If you are unable to attend the session but are interested in learning the calculation strategy, please get in touch with the school.

Yours sincerely,

Mr N Glover
Principal

Y5 and Y6 Long Division Workshop 2026

Tuesday 14th April 3.15pm Thursday 16th April 8.45-9.45am
