Careers Morning – Tuesday 30th June

Dear Parent/ Carer,

We are excited to inform you that our school will be holding a Careers Morning for our pupils on **Tuesday 30th June.**

This event is a wonderful opportunity to inspire our children as they begin to think about their future aspirations. In keeping with our Catholic ethos, we aim to encourage every child to recognise their God-given talents and to understand how they can use these gifts in service of others.

During the morning, pupils will have the chance to learn about a variety of jobs and professions, helping them to broaden their understanding of the world of work.

We would love to invite parents and carers to be part of this special event. If you are able to attend and speak about your job, career journey, or skills, it would be greatly appreciated.

If you are interested in supporting this event, please email office@stwilfridsnewman.co.uk . Your involvement can make a real difference in inspiring and motivating our pupils.

Thank you, as always, for your continued support of our school community.

Yours Sincerely
