Our Mission

St Wilfrid's Catholic Academy is part of the Archdiocese of Birmingham and a member of St. Gabriel the Archangel Catholic Multi Academy Trust where we are *forming pilgrims of hope with kind hearts, questioning minds, a thirst for knowledge and a hunger for justice*. Inspired by St Gabriel the Archangel, we live this mission by standing in God's presence with confidence and humility, speaking with peace and courage, believing in the impossible, listening with love, and serving a mission greater than ourselves.

Our school is a Catholic school, founded on the Gospel of Jesus Christ, and the teachings of the Catholic Church. Specifically, St Wilfrid's, seeks to live as we grow and learn together in Christ' as our guiding principle. This policy document should be considered in the light of our School Mission Statement which outlines all that underpins our work.

St Wilfrid's Catholic Academy is a caring, Catholic school community and we teach our children that everyone is made in the image and likeness of God. We aim to foster an awareness and understanding of the presence of God in each individual child's life and to encourage a personal response to that presence.

We believe that Christian worship in a Catholic school is concerned with giving praise, thanks and reverence to God. It is our loving response, in word and action, to God's invitation to enter into communion with Him, made possible through the human and divine work of Jesus Christ and the witness of the Holy Spirit.

Prayer and Liturgy, however, should also be used as a vehicle to promote the teachings of the scriptures, consider how to care for and respect our environment, recognise our God-given gifts

and talents and understand how to live as Christians in love and peace, by valuing the diversity and unity of humankind, through loving tenderly, acting justly and walking humbly in the footsteps of Christ.

'The celebration of Catholic liturgies and prayers as an integral part of the learning and teaching should enable the school community to become reflective, experience the presence of God and should develop a mature spiritual life.'

(Marcus Stock (2012), Christ at the Centre, Catholic Truth Society, 23.)

Statement of requirement

The law requires all maintained Catholic schools to provide an act of daily collective worship (prayer and liturgy) for all pupils, including those in the sixth form (Section 70, 1988 Education Act) that is in accordance with the rites, practices, disciplines, and liturgical norms of the Catholic Church (School Standards and Framework Act 1998, schedule 20; Instrument of Government, clause 2). Academies in England are required by their funding agreement and Articles of Association to comply with similar requirements (The Mainstream Academy and Free School: Supplemental Funding Agreement, December 2020; Model Articles for Catholic Academies, February 2019).

The law requires all maintained schools to recognise and respect that parents have the legal right to withdraw their children up to the age of 16 from prayer and liturgy (School Standards and Framework Act 1998, s.71(1A)). Sixth-form pupils can choose to withdraw themselves from prayer and liturgy (School Standards and Framework Act 1998, s.71(1B)).

The school's provision for prayer and liturgy will fulfil pupils' entitlement to experience the range of liturgical treasures of the Church, including a shared repertoire of prayers and liturgical music with which pupils in the school will be familiar.

Prayer and liturgy are not designated curriculum time. In the context of the Catholic school, this means that times of prayer and liturgy are not considered to be part of the allocation of curriculum time for Religious Education.

At St Wilfrid's Catholic Academy, the responsibility for arranging prayer and liturgy rests with the Governing Body; however, in the life of the school, it is predominantly led and managed by the RE team (including the Principal, Vice Principal, the Prayer and Liturgy Lead and RE Lead), with each staff member and child taking some ownership and responsibility for prayer and liturgy (See appendix A for responsibilities).

Rationale

Prayer and liturgy will be an educational and spiritual experience to which all can contribute and from which all can gain. At St Wilfrid's, we will continue to foster and deepen our children's personal relationship with God our Father daily in prayer. We do this by helping them to become aware of God's presence in their lives and of His love for them, by leading them to respond to Him in a manner suited to their age. This may be in one of the following ways:

- Prayer of silence

- Spontaneous prayer
- Praying through gesture or action
- Formal prayer
- Guided meditations

Prayer will not be confined to an act of worship. Children are encouraged to pray in the morning and in the evening. Worship in St Wilfrid's is an integral part of school life and central to the Catholic tradition and faith system.

The Aims of Prayer and Liturgy

We believe that Prayer and Liturgy in our school aims to provide opportunity for all pupils and staff:

- To contemplate the mystery and transcendence of God
- To reflect on spiritual, moral and ethical issues
- To explore, reflect upon and act on their own beliefs
- To respond to and celebrate life
- To experience a sense of belonging and develop community spirit
- To develop a common ethos and shared Christian values
- To enrich religious experience
- To develop a liturgical understanding of the Catholic Church's context and structure
- To teach the meaning and purpose of prayers that are part of the Catholic tradition
- To take a full and active role in Prayer and Liturgy
- To value the wonder and awe of God's creation

All acts of Worship in this school will:

- Give glory, honour, thanks and praise to God
- Be a spiritual experience, fundamental to the life of the school and its Catholic character
- Give children positive liturgical experiences appropriate to their age, aptitude and family backgrounds in order to prepare them for the liturgical life of the Church.
- Be appropriately paced and offer a range of spiritual and reflective experiences offered in a variety of groupings and settings.

A Worshipping community

St Wilfrid's is a worshipping community: we place prayer, worship and liturgical celebration at the very heart of our expression of Catholic tradition. We actively strive to provide a varied experience of worship and to promote engagement through the creative contributions of both pupils and staff.

We understand that, through prayer and liturgy, we can develop our relationship with God and we can talk to Him in many ways. Therefore, it is our duty to provide every child with the opportunity to meet God through engagement in the spoken word, music, dance, drama, art and through silent reflection. We particularly value opportunities to nurture pupils in leading prayer and liturgy and developing prayer experiences of their own making.

We realise that, as one “instrument” of the Church, we cannot achieve this in isolation and therefore need to encourage a collaborative partnership between the home, the parish and the school. We recognise that each of these groups has a responsibility to fulfil its role and seek to support parents in this mission.

We believe that prayer and liturgy should take into account the religious and educational needs of all who share in it:

- Those that form part of the worshipping community in church
- Those for whom school may be their first and only experience of church
- Those from other Christian traditions, or none
- Those from other faith backgrounds

Linking Home-School-Parish

Parents are acknowledged as the first and foremost educators of their child, and are regularly welcomed into school to secure a strong partnership. They are invited to attend Mass, class Celebrations of the Word, Stay and Pray sessions and other liturgical celebrations, along with opportunities for reflection in the form of a Class Saint prayer service. Emphasis is placed on helping them to understand the vital role they can play in teaching their children the importance of worship and developing the prayer life of their children.

Class teachers may set home learning tasks based on curriculum topics and religious learning. Parents are encouraged to support their children wherever possible; this includes sharing the Wednesday Word parent resources through social media platforms which reflect the weekly Sunday Gospel message. Links to the parish newsletter and relevant prayers and reflections are also shared with parents.

A team of ‘Catholic Life Leaders’ and ‘Helping Hands’ are well established within school and we seek opportunities to work with the parishioners of our parish and members of the community such as through regular Family Masses, Praying of the Rosary during October and May and join Christmas fayres to support fundraising. We also have strong links with CAFOD and Fr. Hudson’s, who come in to share assemblies, workshops and prayer services with our children.

Overview of prayer and liturgy provision at St Wilfrid’s Catholic Academy

In addition to the four formal prayer times throughout the school day (morning, grace before and after meals and home-time), prayer and worship is an integral part of the day at St Wilfrid’s Catholic Academy and is not separated from the rest of school life. Pupils all share in this important aspect of our daily experience. Children have a natural aptitude for prayer and are open to God. They respond in many ways to the world around them and their experiences at school should be full of opportunities for exploration and discovery. Teachers create an environment where these responses are developed, in recognition that they can form the beginnings of prayer. To this end, each classroom has a special prayer area that reflects the liturgical season. These spaces are intended to support pupils to initiate their own prayers. Prayer spaces in every class have age appropriate, relevant resources where children are encouraged to express their own prayer

intentions, which can be shared with their class as the children wish, at relevant times during the year.

The Prayer and Liturgy Lead is responsible for producing an Annual Plan of Provision (APoP) before the start of each academic year. The APoP outlines the structured approach through which our Catholic school nurtures its spiritual identity and implements its faith-based mission. This document integrates the school's commitment to Catholic education by detailing the planned programme of liturgical celebrations, sacramental preparation, prayer initiatives, religious education, and faith-based events. It aligns with the academic calendar to coordinate whole-school Masses, classroom prayer practices, liturgical training for students, and collaborative activities with the parish community. The APoP serves as a transparent roadmap, specifying timelines, responsibilities, and collaborative roles of staff, pupils, and parents in fostering an environment where Catholic values are lived and taught.

Each week pupils participate in:

✚ A Gospel-based Celebration of the Word to enable all children to access and reflect upon the weekend readings, planned and led by the Principal or Vice Principal (Mondays).

✚ Pupil prepared prayer based on class work, feast days (including Saints), liturgical season and/or virtues planned and prepared by pupils with the support of the class staff (Wednesday Worship) (See appendix B for progression in pupil prepared prayer).

✚ A whole school or Key Stage Celebration of the Word based on the current virtues, feast days (including Saints) or liturgical season (Thursdays).

✚ 'Songs of Praise' Hymn practice, led by the Music Leader and supported by Key Stage staff (Mass responses and hymns are practised and are linked to the forthcoming Mass and the liturgical calendar) (Tuesdays).

✚ A whole school Mass (on a rota basis) (Thursdays).

✚ A success assembly, recognising each child's God-given gifts and talents (Fridays).

✚ Daily opportunities for prayer in class and RE lessons.

✚ Opportunity for the Sacrament of Reconciliation during the season of Advent and Lent for those children preparing to receive, or have received, the Sacraments of First Holy Communion and Confirmation.

✚ During Advent and Lent, additional prayer services led by classes, are held each week, to enable children to experience a fuller understanding of these seasonal times of preparation for Christmas and Easter.

Planning

Prayer and liturgy at St Wilfrid's Catholic Academy is planned following a structure with reference to the Church's seasons, significant liturgical dates and the curriculum.

Each act of Prayer and Liturgy follows a 4-part structure:

- 1) Gather
- 2) Word
- 3) Respond
- 4) Mission

Staff and children are expected to follow this format and are encouraged to record this on the planning sheet (appendix C) in Class Prayer and Reflection books weekly.

- Scripture will be the focus for most acts of worship
- Prayer and Liturgy will relate to the school community in the light of the school's aims and mission, the virtues, curriculum, class saints and the liturgical calendar.
- There will be flexibility to respond to changing situations within the school and the wider community.
- The school will aim to teach children the skills to enable them to prepare and evaluate worship.

Mass and the Eucharist

The Mass is the source and summit of the life of the Church. The Mass, also known as the celebration of the Eucharist, is the most important action of the Church and from its celebration, the life of the Church flows. It is important therefore that the Mass is celebrated worthily and well. Opportunities for children to participate in the Mass are given regularly (see Mass rota) parents and other members of the school and Parish communities are encouraged to attend. Family Masses are regularly planned for and are well attended.

Eucharistic celebrations will take the following forms:

- Whole school Masses at the start and end of each term and for Holy Days of Obligation and special feasts
- Children will be encouraged to participate in several school-led Sunday Family Masses throughout the year
- Masses for children preparing to receive the Sacraments of Reconciliation and Holy Communion and Confirmation including Masses of Commitment for these children
- Our school also take representatives from Key Stage 2 to the annual North Staffordshire Combined Schools Mass, Good Shepherd's Mass and the Deanery Vocations Mass

Resourcing

Prayer and liturgy are central to the school's understanding of itself as a Catholic school, and this is reflected in the annual budget allocation and available resources, including staff time, chaplaincy provision, and dedicated spaces for prayer and liturgy. The Catholic character of the school is reflected in religious artefacts and images on display throughout the building. Dedicated spaces for prayer and liturgy will be furnished and maintained as such, and updated to reflect the Church's liturgical season. Staff training and formation costs will be funded separately to ensure that all staff are able to fulfil their responsibility to contribute to the prayer and liturgical life of the school.

Resources are monitored by the prayer and liturgy co-ordinator and new resources are ordered, within the budget, where required. There are a wide range of resources available to aid planning for prayer and liturgy and prayer, such as assembly books, access to Ten:Ten resources (staff have

their own log ins), artwork etc. These can be found in the cupboards in the school hall or in the Principal's office. Music resources for prayer and liturgy are on the staff Shared area, along with hymn suggestions for Liturgical seasons or feast days. There are also resources from the Birmingham Diocese Education Service and several Internet sites that are also a useful resource for planning; these links have been distributed to all teaching staff, with recommendations to support planning and delivery of prayer and liturgy (these are also saved for Staff's reference on the shared area of the school network).

Each class has several artefacts for their prayer areas such as crucifixes, crosses, praying hands, rosary beads, statues, bibles etc. These may be share amongst staff as they wish. Class Prayer baskets hold resources for prayer which children can use when planning and leading prayer for their class.

Training and formation

All new staff will be supported during induction and beyond, so that they fully understand the responsibility they carry within their individual role for leading prayer and liturgy in the school. Any individual training needs will be identified and addressed through training and formation. There will also be the opportunity for whole-staff professional development at least once a year, so that all staff understand the importance of prayer and liturgy and relevant staff are well supported to lead as required. Staff new to the school receive a full induction and are enrolled onto BDES training as appropriate.

Monitoring and evaluation

Monitoring and evaluation of the quality and impact of prayer and liturgy will take place regularly, and at least annually, and involve all key stakeholders: pupils, parents, staff, clergy, and governors. Areas for development will be identified and issues raised will be actioned and evidenced as appropriate.

Termly and annual monitoring schedules are completed and reviewed by the RE team/ Prayer and Liturgy Lead, with input from SLT where required. Monitoring and evaluation of prayer and liturgy takes place in a variety of ways: looking at class prayer books, scrutinising RE books and planning, formally and informally monitoring prayer and liturgy, pupil interviews and evidence of reflections on worship.

Termly meetings with the link governor, are scheduled and minutes from these meetings are reported and shared with the RE team, Principal, local governing body and Board of Directors. Actions from the previous minutes are discussed at the following meeting to ensure progress and impact.

The school's provision for prayer and liturgy is evaluated annually to consider how it meets the needs of pupils and whether it truly reflects the aims and mission of the school.

The RE team may evaluate the quality of prayer and liturgy in the school by conducting informal evaluations, with the permission and consultation with staff members throughout the school year. Staff are always invited to observe senior leader's assemblies, Celebrations of the Word and prayer times as good practice.

Inclusion and equal opportunities

All children at St Wilfrid's Catholic Academy have a right to be included in accessible prayer and liturgy unless withdrawn at parental request. Inclusion of all is a cornerstone of Catholic belief and of our own school mission statement. Prayer and liturgy should play an active role in developing an inclusive attitude in the children themselves.

Staff and pupils who are baptised into the Catholic faith and have received the Sacrament of Holy Communion will proclaim the Word during times of Liturgy and Prayer.

Health and safety

It is the responsibility of class teachers to follow school health and safety procedures.

Lighted candles should only be used under adult supervision during Masses and acts of worship and a safety lighter should be safely stored away from children.

Class teachers in EYFS, KS1 and lower KS2 should use battery operated candles in class, but real candles should be used at Mass. There is a risk assessment for Mass available on request.
