

Principal: Mr. N. Glover

Tuesday 21st April 2026

Send Coffee Morning

Dear Parent/ Carer,

We would like to invite you to attend a SEND Coffee Morning at school on **Tuesday 5th May at 8:45am**.

This session is open to all parents and carers, whether your child has special educational needs or not. It is a valuable opportunity to learn more about the current consultation on proposed changes to the Special Educational Needs and Disabilities (SEND) system, and how these may affect children and young people.

During the session, we will:

- Explain the consultation process and what it means for families
- Discuss proposed changes aimed at improving outcomes for children and young people with SEND
- Explore how the reforms focus on early, fair support and shared accountability across local partners
- Share full details on how you can contribute your views before the consultation closes at **11:59pm on 18 May 2026**

The consultation is seeking feedback from a wide range of stakeholders, including families, educators, schools, and wider organisations, and your voice is an important part of this process.

We are also pleased to be joined by a representative from SENDIASS, who will provide information about current SEN processes and be available to answer questions.

Please confirm your attendance via your child's Arbor account.

If you have any questions in advance, please contact the school office to speak with Mrs Stonier (SENCO).

We hope you can join us for this informative and supportive session.

Yours Sincerely,

A handwritten signature in black ink, appearing to read 'N. Glover'.

Mr N Glover
Principal

If you require this letter in another format, please contact the school office.
