London Marathon Update - Sunday 26th April 2026

Dear Parents and Pupils,

I would like to begin by thanking the children and families of St Wilfrid's for the tremendous support shown in the build-up to the London Marathon. Many of our pupils have contributed through their own fundraising efforts in support of CAFOD (The Catholic Agency for Overseas Development), demonstrating great generosity, compassion and enthusiasm. There is still time for any remaining sponsorship to be brought into school, and all contributions are very gratefully received.

With the marathon now fast approaching, I would also like to share that Mr Beardmore's son Josh, Mr Sigley and I will shortly be taking part in this significant challenge. As the event draws nearer, anticipation — and a small amount of nervousness — is certainly building.

A number of pupils have asked whether there is a way to follow our progress on the day. I am pleased to confirm that this is possible.

The Official TCS London Marathon App allows supporters to track runners in real time. Those who wish to do so can download the app and search for runners by name or by bib number to see their progress around the course.

Our details are as follows:

- Mr Sigley's bib number: **69806**
- Mr Sigley's official start time: **10:48am**
- Mr Glover's bib number: **81412**
- Mr Glover's official start time: **10:32**

Thank you once again for the encouragement and generosity shown by our school community. Once the final fundraising total for CAFOD is confirmed, I will be delighted to share this with the children. I have no doubt that the funds raised will make a meaningful difference through this very worthy cause.

Thank you for your continued support, and we would very much appreciate your good wishes on the day.

Yours sincerely,

Mr N Glover
Principal
