Important Notice: Safe and Respectful Parking Around School

Dear Parent/ Carer,

We would like to remind everyone of the importance of safe, considerate, and respectful parking during drop-off and collection times.

Following a recently reported incident relating to the use of the Methodist Church's front car park by a parent while collecting children from school, I wanted to remind parents of the importance of respecting private property and parking in a safe and considerate manner at all times.

The Methodist Church car park is private property and is primarily for use by church attendees, particularly during church activities and services. Where possible, parents and carers should avoid using the Methodist Church car park, especially when it is in use by members of the church. We do acknowledge that at particular times of the day this is difficult to do given the limited options for parking around the school.

We ask all parents and carers to:

- **Park legally and safely, with consideration for pedestrians, neighbours, and local community members**
- **Respect private property and designated parking areas**
- **Avoid confrontations and always communicate respectfully with others**
- **Follow any parking guidance provided by the school and local authority**

By working together, we can ensure a safe environment for our children and maintain positive relationships with our local community.

Thank you for your co-operation and continued support.

Yours Sincerely

A handwritten signature in black ink, appearing to read 'N. Glover'.

Mr N Glover
Principal
