SHARP Safeguarding System

Dear Parent/ Carer,

We are pleased to let you know that our SHARP safeguarding reporting system is now live on our school website.

SHARP is an online tool that allows students, parents, and carers to report any safeguarding concerns quickly and easily. It is designed to make it simpler to raise worries about wellbeing, safety, or behaviour, whether relating to yourself or someone else in the school community.

Please note that SHARP is available all year round and can be accessed outside of school hours, meaning concerns can be reported at any time, including evenings, weekends, and school holidays.

All reports submitted through SHARP are reviewed by our safeguarding team, who will respond appropriately and in line with our safeguarding procedures. The system can be used to report concerns anonymously if preferred, or with contact details if a response is required.

You can access SHARP via the home page of our school website here: <https://www.stwilfridsnewman.co.uk/>

We encourage families to use this system if they have any concerns, no matter how small they may seem. Safeguarding the wellbeing of our students remains our highest priority.

If you have any questions about SHARP or how it works, please contact the school office and ask to speak with Mrs Taylor.

Yours Sincerely

A handwritten signature in black ink, appearing to read 'N. Glover', written in a cursive style.

Mr N Glover
Principal

If you require this letter in another format, please contact the school office.
