Year 1 and 1/2 Trip – Twycross Zoo

Dear Parent/ Carer,

As part of our science focus this term, a visit to **Twycross Zoo** has been arranged for our **Year 1 and Year 1/2** pupils on **Wednesday 14th October 2026** to enhance their learning about our topic 'Animals including Humans' in science. During the day, pupils will visit the animals and take part in a workshop called Sorting Species. The visit will be highly interactive and an exciting and engaging way to learn more about this fascinating part of our science topic.

Please arrive at school at the usual time of 8.30am. We will travel via coach to and from Twycross Zoo with a **9:00am** departure and approx. **3:45pm** return time (traffic dependent). Children should wear their school uniform and trainers and bring a warm, waterproof coat.

A packed lunch will be provided by school as part of the free school meals for all KS1 pupils. Although not essential, if your child wishes to bring an additional bottle of water and a piece of fruit for a snack, this should be brought in a disposable bag.

If your child suffers with travel sickness, please ensure any medication/ tablets are handed to the office when you bring your child to school.

You will need to provide consent via your child's **Arbor** account which can be found under trips. Click on the trip and select the green box that states '**sign my child up for this trip**'.

Payment for this should be made through the termly payment plan on your child's Arbor account at your convenience.

Yours Sincerely,

Mr N Glover
Principal

If you require this letter in another format, please contact the school office.
