Medical Conditions	YES NO (please circle & advise)
Asthma	YES NO (please circle)
Allergies	YES NO (please circle and advise)
Signed, Name & Date	

Breakfast Club
Please keep this safe for future reference

1. In the first instance, all parents should complete a registration form for each child. These are available from the school office or can be emailed to you at your request.
2. All bookings should be made on your child's scopay account. Before booking a place on the breakfast club you must make payment. The cost is £3.50 per session and includes breakfast. Accounts should be in credit otherwise you will not be able to book a place.
3. You can book places as far in the future as you wish, but it must be more than two days beforehand. For late/emergency bookings please contact the school office if it is within two days.
4. You can always check your online calendar on scopay if you are unsure of what you have booked.
5. Breakfast club will be in the mobile. Upon arrival you should call the mobile telephone number, which will be text to you. This is a temporary measure whilst we await our gate access to be modified.
6. Any messages intended for your child's teacher or school office, please send an email to office@stwilfridsnewman.co.uk or send in a note.
7. ALL children should be accompanied by an adult at all times when dropping off.
