After School Clubs – Booking places on scopay

Dear Parents & Carers,

Please find our list of clubs attached for Spring 2 2023. Bookings should be made on your child's scopay account. Places are limited and are allocated on a first come, first served basis. Due to feedback from parents, you should only book one club for your child when bookings open, as detailed below. This is to give all children the opportunity to take part in at least one club. Should places for other clubs still be available after this date, then you are free to book these.

Please only book places if your child will be attending all sessions. Please also note the time that your child's club finishes and ensure that your child is collected on time. Children who are attending a sports club will need to have their PE kit in school so that they can get changed for the club. Please ensure that PE kits are then returned to school in time for their PE lesson(s).

**Bookings can be made on scopay on Friday 17th February after 3.00pm – Max 1 place per child.
Bookings for each child from Saturday 18th February are unlimited.**

Should you book more than one place on the 17th February, these may be unallocated at our discretion.
Clubs will start Monday 27th February and will finish on Friday 31st March. Please note that Homework club will start on 7th March.

Wildlife Club will continue to run with the children who attended this club previously.

Bookings on scopay will close on Monday 27th February 9.00am.

Each club will be on scopay on the 'Trips and Events' tab. Only clubs applicable to your child will show on scopay. Some of our clubs have a charge, please pay for these at the time of booking to secure your place. As some of you will be aware, our clubs are extremely popular and places are taken up quickly, we expect the same this time as we have some great clubs on offer.

Yours sincerely

Mrs C Gravano

Reception Teacher & After School Clubs Lead
