30th March 2023

After School Clubs - Booking places on scopay

Dear Parents & Carers,

Please find our list of clubs attached for Summer 1 2023. Bookings should be made on your child's scopay account. Places are limited and are allocated on a first come, first served basis. Due to feedback from parents, you should only book one club for your child, as detailed below. This is to give all children the opportunity to take part in at least one club. Should places for other clubs still be available after this date, then you are free to book these.

Please only book places if your child will be attending all sessions.

Bookings can be made on scopay on Wednesday 29th March after 4.00pm - Max 1 place per child.

Bookings for each child from Thursday 30th March are unlimited.

Should you book more than one place on the 29th March, these may be unallocated at our discretion.

Clubs will start w/c 17th April with the exception of Homework Club, Origami Club & Cheerleading as this will start w/c 24th April.

Each club will be on scopay on the 'Trips and Events' tab. Only clubs applicable to your child will show on scopay. Some of our clubs have a charge, please pay for these at the time of booking to secure your place.

As some of you will be aware, our clubs are extremely popular and places are taken up quickly, we expect the same this time as we have some great clubs on offer.

Yours sincerely

Pp N Glover

Mrs R Snee
