8<sup>th</sup> November 2023

Dear Parents/Carers,

We are writing to inform you that Year 1/2 will be going on a school trip by minibus to the Wolseley Centre on Wednesday 22<sup>nd</sup> November 2023. The cost of the trip is £20.00 which should be paid for on your child's scopy account. We will be leaving school at 8:30am and will return to school by 3:00pm.

This location is part of the Staffordshire Wildlife Trust and will further enhance the children's learning for our autumn term science topic, 'Animals Habitats'. Whilst at the Wolseley Centre, the children will take part in two learning programmes. The first called 'Discovering Minibeasts', will enable the children to see and explore a micro habitat, spotting the animals that live in one, and comparing this to another habitat. The second being 'Watery Wildlife', children will have the opportunity to go pond dipping in small groups, investigating the animals that they find, thinking about food chains and much more.

The children will need suitable clothing on the day, warm coat etc. A change of clothes and wellies should also be provided. A packed lunch will be provided by school for those children who have a school dinner.

Please complete and return the reply slip below. Should you have any further questions, please speak to Mrs Pettitt.

Yours sincerely

Mr N Glover  
Principal
