Dear Parents/Carers,

We have arranged for a Family Learning Workshop to take place within our school. The seasonal craft workshop is winter themed, and will be delivered by the staff from Adult, Community and Family Learning (AFL). This is open to all KS1 parents/carers and children within school. This will be a great opportunity for you and your child to take part in this interactive session together.

The 2 hour session will be held on Wednesday 6th December 1pm - 3pm in our mobile classroom. Please arrive 10 minutes early to allow the session to start promptly. As the session has a maximum capacity and we want to enable as many families as possible to attend the workshop, we politely request that only one adult attends with each child.

Places are limited, but if you would like to attend please fill in the slip below and return to school by Friday 1st December. Once we have received your reply slip you will receive an email from school confirming your place in the workshop.

Please note - Should the workshop prove to be popular and well oversubscribed, we will arrange for a second workshop to be organised in the future.

Thanks for your continued support,

Mr N Glover
Principal
