23rd February 2023

Hatching in School.

Dear Parents & Carers,

We are thrilled to inform you that EYFS and KS1 children will be welcoming 6 duck and 6 chick eggs into school on the 11th March. Over the 10 days that they are with us, we will be able to watch them hatch and care for them in their first few days of life.

This is a really eggciting (!) opportunity to extend our Science learning across the school. The children will have the opportunity to learn lots about ducklings, chicks, the hatching process and their life cycles. The children will be able to see first-hand what happens when an animal hatches and handle the chicks and ducklings themselves.

Yours sincerely

A handwritten signature in black ink that reads 'N. Glover'.
