Y4 Multiplication Table Check – Monday 22nd April @ 5pm

Dear Parent/ Carer,

As you may be aware, from June 2020 there was a new national statutory test for Y4 children called the 'Multiplication Tables Check' (MTC). The test will judge how well each child knows their multiplication tables up to 12 x 12, which is the expected standard by the end of Year 4.

This year's test will be administered in the summer term in early June and will involve an online test of 25 multiplication questions. The results will then be shared with us to help us best support the children, as they progress through the Y5 and Y6 maths curriculum.

Key information regarding the test can be found at the following link:

<https://www.gov.uk/government/publications/multiplication-tables-check-information-for-parents>

We are also delivering a short meeting on **Monday 22nd April at 5pm** to discuss the Multiplication Tables Check and how you can support your child at home. The meeting is expected to last no longer than 20 minutes. We strongly urge all parents to attend the meeting where possible. You can attend the meeting either in person or online via TEAMS. The link for TEAMS will be sent out to the email address registered with the school.

Please indicate if you can/cannot attend the meeting on the reply slip below and return to school as soon as possible.

Thank you for your continued support.

Mr Glover
Principal

.....
Year 4 Times Tables Parent Meeting – Monday 22nd April @ 5pm in school/TEAMS

I can / cannot attend the meeting (please circle).

I will attend in person / I will attend via TEAMS (please circle).

Signed
