Family First Aid

Dear Parent/Carers,

We have arranged for a Family First Aid workshop to take place within our school. The workshop will be delivered by the staff from Adult, Community and Family Learning (ACL) and is open to all KS2 parents and children within our school. This will be a great opportunity for you and your child to take part in this interactive session together learning simple first aid techniques.

The two hour session will be held on Tuesday 11th June, 1pm – 3pm in our mobile classroom. Please arrive 10 minutes early to allow the session to start promptly. There will also be a short form which will need to be completed before hand. As the session has a maximum capacity and we want to enable as many families as possible to attend the workshop, we politely request that only one adult attends with each child.

Places are limited, but if you would like to attend, please fill in the reply slip below and return it to school by Friday 24th May. Once we have received your reply slip you will receive a text message confirming your place on the workshop.

Please note – Should the workshop prove to be popular and well oversubscribed; we will arrange for a second workshop to be organised in the future.

Thanks for your continued support,

Mr. N. Glover
