

Useful Resources and Ideas:

- <https://www.careersandenterprise.co.uk/schools-colleges/primary-school-support/primary-toolkit/resources#Activity Passport> FREE resources from CEC and Dfe that can lend themselves to careers related learning and employer activities.
- <https://www.founders4schools.org.uk/> search for business leaders through the online platform to set up role models and speakers.
- Students hear about real-life applications from Science, Technology, Arts, Engineering and Maths (STEAM) subjects, making a critical link to how learning STEAM directly relates to growing and scaling successful enterprises. FREE RESOURCE.
- <https://www.skillsbuilder.org/> supports schools to build the essential skills of every learner through the training of staff, a comprehensive curriculum, and links to employers. Some FREE RESOURCES but also a paid membership offer which gives access to more resources and support.
- <https://www.stepintothens.nhs.uk/> downloadable resource encourages students to raise their aspirations and learn about the range of roles in the NHS that they can do, and challenges stereotypes, helping them understand that there is no such thing as a man or woman's job. This programme is open to all schools in England and teachers can receive a hard copy of the teacher pack, along with a poster for classrooms, by calling the helpline on 0345 60 60 655 or emailing advice@healthcareers.nhs.uk and quoting CAR10301 in any communication. FREE RESOURCE.
- <https://icould.com/resources/> FREE online resources – video clips, careers matching quiz – Buzz quiz
- <https://primaryfutures.org/>
- <https://www.cascaid.co.uk/products/paws-in-jobland/> purchasable IT programme – careers exploration quiz and resources.
- <https://www.prospectseducationresources.co.uk/> purchasable resources – books, posters, activities, IT resources. Previously used Paws in Jobland.

- <http://website.u-explore.com/products-services/> High schools tend to use Start or Uexplore. Purchasable platforms.
- <http://www.cragrats.com/programmes/discovery/> Purchasable programme.
- Careers resources linked to curriculum areas or national bodies have good starting points and are free. Based online.
- Career of the month – allocate research, poster production, etc to a class.
- Interview a Governor or parent. Make it bigger – set it up as a reporter interview and record it. Hire equipment or studio?
- Careers related homework once a term linked to topic area.
- Career displays
- Build a careers section in your website – could the students take on roles within this development and spend time with the IT team, Art
- Roles
- Explore a career related to an educational visit already booked. Eg) interview a member of staff there about their job.
- Careers/employer section in school newsletter.
- <https://www.asdan.org.uk/courses/programmes/lift-off> example of an ASDAN course around Yr 6/7 transition but there may be other options.
- <https://www.fiverchallenge.org.uk/> Young Enterprise Fiver Challenge
 - Enterprise days
 - Curriculum-linked activities and Subject specific activities e.g. languages
